

Protea Financial Services – a budding new business!

Husband and wife team Jacques and Anthea Pienaar, owners of Protea Financial Services based in East Dean, are passionate about helping people with their Financial Planning needs. They provide honest, professional advice, and integrity is the cornerstone of their business

After the introduction of the Mortgage Market Review (MMR) Jacques and Anthea decided to use their wealth of collective experience to focus on what they believe to be the area with the greatest potential for growth, being Mortgages and Protection. They formed their business 'Protea Financial Services' in 2014. The Protea is South Africa's national flower, and as Jacques and Anthea were both born there, it seemed a fitting name for their flourishing business.

Jacques has been in Financial Services since 1989, and before owning Protea, he worked for a number of well-known companies including Eagle Star, Scottish Amicable, National Mutual and Standard Life. He is also an expert witness in Family Court proceedings and regularly produces Mortgage Capacity Reports for solicitors and their clients to demonstrate capacity to mortgage following divorce.

Anthea has been a specialist Mortgage and Protection Broker since 2003 having previously worked as a Personal Choice Manager at Lloyds Bank.

Protea's other services include:

- Mortgages, including Buy To Let, Commercial, Bridging and Secured Loans
- Remortgages
- Equity Release
- Life/Critical Illness Assurance
- Income Protection
- Retirement planning
- Private Medical Insurance
- Building and Contents Insurance
